Give your textiles **a new life**

**Zero
waste**

Zero to landfill promise

U4B is committed to ensuring materials are reused at their highest value and lowest environmental impact. Our factory sends nothing to landfill.

Responsible and simple

Textiles don't belong in general waste streams or dumps. Finally, there's a bin for them at your fingertips.

UPCYCLE4 BETTER

Reduce landfill waste and help protect habitats.

Australians each buy about 27kg of fashion and textiles per year, of which we dispose **93%**. Australia has 1,168 operational landfills that receive more than 20 million tonnes of waste each year.
