Frankston city centre car parking

On-street parking (1P)

The majority of on-street parking in Frankston's city centre is one hour free parking, Monday to Saturday, 9am - 6pm.

Some areas are marked with on-site signage where a 5, 10 or 30 minute time limit applies.

On-street parking (2P)

Some two hour parking is available at the Kananook Creek Boulevard end of Playne Street.

This is for patrons and shoppers, **not** traders and employees to use on a rotational basis.

Privately owned car parks

Time-based fees apply.

Car parks

Council managed car parks have time limits ranging from one hour to all-day parking.

Signs at each parking location indicate precise times and fees.

As at 1 July 2017, Council car parking fees are \$2 per hour and \$6.50 all-day (subject to change).

On-street parking (4P and All day)

Some four hour on-street free parking is available in Baxter St. Free all-day on-street parking is available on Plowman Place, Young Street (Beauty Park) and High Street between Young Street and Spring Street.

Resident Foreshore parking permits

Frankston City residents displaying their Foreshore parking permit sticker can park **free-of-charge** at all Foreshore car parks however, **time limits still apply** as specified on signs.

Nepean Highway, south of Frankston Pier

Parking along the west side (beachside) is 4P — a four hour time limit applies. A fee is also payable unless displaying a Frankston City Foreshore parking permit. Parking along the east side (hillside) is free with no time limit.

This map indicates parking status as at July 2020.

Appropriate use of parking is enforced by Council. You can not park longer than the time shown on the parking signs.
